

Revive – not Survive!

–Building a Solid Future for Finance Brokers

The Australian Institute of Professional Brokers (AIPB) has actively worked with Finance brokers to ascertain their most important issues in bringing about certainty for the profession moving forward.

We welcome your attendance to come and hear what the AIPB is doing FOR finance brokers. Your support will assist in making our message louder. We are taking ACTION and are a TRUE Finance Broker representative body.

See – Hear – Meet & Greet
