AUSTRALIAN INSTITUTE OF PROFESSIONAL BROKERS EDUCATIONAL SEMINAR 2009

“The Beginning of a new era”

Guest Speaker:
Journalist Andrew Bolt

Australia's most controversial - and most read - social commentator, putting his finger on the hottest of hot-button issues. Writing for Herald Sun and the Sunday Herald Sun, Bolt fearlessly cuts through the myths and the spin to tell you the bottom-line facts. No sacred cow of the New Age is safe from his scalpel.
